Spray-Rite, Inc. has been providing finishing services to a number of major OEM's for almost 40 years. In order to better serve our customers, we have stacked a number of processes in line with the finishing operations to reduce cost, lead time and improve quality:

- *Coatings*
- *Assembly*
- *Printing*
- *Finishing*

NCA Technology. we provide fully integrated PCB/PCBA manufacturing, cable and electro/mechanical manufacturing and design services to leading OEMs and start-up businesses in the telecommunications, medical, defense, aerospace, consumer electronics, and other high-technology industries.

- *Printed Circuit Board Assembly*
- *Electro-Mechanical Assembly*
- *Box Builds*
- *Cable/Wiring Assemblies*
- *Design Services*
- *Repair Services*

Cooling Source

Premier heatsink manufacturer offering the most comprehensive, value-added standard and custom thermal solutions for today's global market.

Capabilities

- Heat Pipes
- Extrusion
- Swaged Heatsinks
- Skived Heatsinks
- Folded Fin Sink
- Consumer
- Bonded Heatsinks
- Pin Fin Heatsinks

Allfavor Technology

Printed circuit board (Rigid, Flex, & Flex-Rigid PCB) manufacturer with three plants located in Shenzhen, Nanjing, Zhuhai China Specializing in high mix, lowvolume with quick-turn prototypes and production quantities. Allfavor provides the following capabilities to our customers:

- Rigid PCBs, 2 to 14 layers
- Flex and Flex/Rigid PCBs
- RF/HF using Rogers, Arion, and Taconic Materials
- Metal Clad (Al Based and Copper Based)
- Heavy Copper (2-6 ounces)
